

1.1.119
a Lesson in the University of The New Covenant
Theodore Cottingham, October 17, 2003

1. Ted, you're right to be taking authority more, more—please more and more, and teach My body how to. You have seen only the beginning of the beginning as I explicate and exponentiate you and My truths that I have revealed and await those who will embrace Me, embrace Me, and not hurry Me, and force Me into into their schedule, their time slots of minutes and seconds—when all I have I want to give so desperately, so completely, so in-fullness, to those who will come and embrace Me and My words and My truth and My beauty and not rush Me, and dictate to Me how I do what I do and when I do it.

2. Oh glory glorious are the feet of My Mine who will come to me and sit at My feet, who get up and embrace Me and wear My name unashamedly—not wearing the mark of mammon—but walking in freedom—power and authority, of the Most High, Me Most High.

3. Oh joy, oh giants of Me in union perfect, union of Me—requested, invited, available, wanting, waiting, provided, provisioned, waiting, waiting, waiting, for the unafraid who will stand up, stand up, and stand up unafraid of the inquisition and inquires of man who want to authenticate and authorize and prescribe how Mine do what they are to do—obey Me—and Ted, go backward, so wrong, so convoluted.

4. So suffering and ineffectual are the lives of so many that are enabled and empowered to work miracles who routinely suffer daily at the hands and theories and dictates of untruth—perpetuated by well meaning sincere religious people who transmit untruths of the past into today—still untrue today as at the time of origination—duplicating generation after generation of bondage and held-back ones from walking in the power and authority that I have given and made available so freely to those who will use My power and authority in love—
to love with,
to love with,
to love with, and set people free and enable and empower them to walk in Me—more, deeper, higher and more completely in Me—
fullness, fullness, fullness—
fullness complete, fullness complete, fullness complete.

5. Oh Ted, so much for so little.
So much revelation and bondage-breaking power and authority for any and all who will come know Me, and embrace Me and all that I am and have on My table—for My guests, for My significanced, confidenced, and of-Me, of Me, of Me.

Oh Ted, open their eyes.
Their eyes will be opened.
Healing, healing, healing.

Intercession for healing.
Intercession in healing.
Intercession for healers—interceding in My name—
In My friendship—bringing My will to earth—
In fullness complete—
Authorizing, deputizing My Mine to operate as Me—My body, being Me to and in My body.

6. Prophecy comes.
Union comes with great leaders—seeking, seeking, seeking.
Wanting more of Me.
Meekness, meekness, meekness.
Tender, tender, forgiving.
Tender, lifting, arising all.
No unforgiveness—no retribution.
Lifting all, lifting all, freeing all.
Healing, healing, healing in My body for all My body—
Erred and not-erred.
Erring and not-erring.
Erred-full and erred-less.
All Ted, all who will come seeking and wanting, arrogance-free, sincere, healing for.

7. New instruments.
New music.
New melodies.
New creations of Me.
New forms and formats—fashioned by Me.

8. In line, in line, standing in line to get in.
Standing in line to get in.
Discern, discern, discern.

9. Create, create, create.
Take authority, take authority, take authority.
Create, create in Me.
Create, create through Me.
Through Me, in Me, in Mine, through Mine—Me through Mine—
Create, create, create.

In My power, in My power and authority.
In My power, authority—on beds and foundations rock.
Pierings of only Me, Me, Me, in meekness, meekness, meekness.

Arrogance—free.
Abundanced.
Healing, healing, healing.
Teaching and giving Me so freely.
So much fun, so much joy.

Great responsibility.

10. Great teams of Me come to search and seek and empower and healing take to countries and councils of seekers sincere—wanting what I am, what I have, seeking to do what I do in Me, of Me, proud and glad of Me, and not ashamed of Me—stripping all references to Me from MY gifts.

11. Oh how sad some will be when they realize how powerful they could be—if they had not been ashamed of Me and striped Me out of the truth I gave them. Oh sad, oh sad.

12. Oh glorious My Mine unashamed of Me, sincere, honest, pursuing Me with passion and unashamed, unashamed, unashamed.

13. Power, glory, authority.
Making the knee of mammon bow.
Bringing power, glory and deliverance.
Bondage breaking freedom for My seeking-Me.

14. I love you—go glow, provisioned, and do as you did this morning—more—in wisdom continue, in wisdom and meekness—teach—
Powerful, powerful—arising My leaders defeated at many levels, wondering what to do and seeing only copying man's ways as their only option for completeness and growth.

15. So shortsighted, but glasses you give them to see, pulling back scales from dim eyes to see clearly, Me, and walk in power and authority to love and bless and arise and leaderize in meekness—meek-able ones—who will walk and talk and in meekness—be Me.

16. Power, authority.
Thank you.
Power and authority—thank you.
Power and authority—thank you.

17. You're learning and growing, and writing more—exponentially—comes.
18. Talking, sharing, recorded, video-powered by Me—comes.
19. Platforms and generals and unions of only Me—come—here—now—enjoy.
20. Glow, glow, glow for Me and **neon light be for cosmic seekers whose gyrocompass rotates unbalanced.**

21. Wheel in a wheel—so many revelations await.
22. Mammon bowing before Me—common place.
Mammon awaits those with authority over.

I rule, I reign, I am Most High.
Mammon exalts mammon but also serves Me.

Bow, bow, bow mammon more, and see all I have for those unafraid of Me, and walking with Me in My high places.

23. Power and authority.

Power and authority.

Power and authority for all My who embrace Me—and shrink not back, afraid, timidly cowering to man and controllers and traditional authentication.

24. I am Me.

I am.

I am One.

Enjoy Me and all in your life.

Powered by Me—power-fuel be.

Powering My all into My hand where I will teach and I will destroy un-truth and I will reveal My treasures to My friends, friends, friends.

25. Thank you. Prophecy comes.

Thank you. Healing comes.

Thank you. They come.

Thank you—much-unafraid.

Thank you—walking-in-Me.
